

Melale Educational & Research Institute

Persian Language, Culture, and Arts Center

Melale Educational & Research Institute

is dedicated to introducing and promoting the rich culture and arts of Iran to the world

Here, you can not only learn the Persian language and literature but also gain valuable knowledge and expertise in various cultural and artistic fields, such as **tourism**, **architecture**, and **music**

One of the main goals of this institute is to teach Persian to children and adults

Persian Language Education for Children

Children learn languages quickly, yet teaching them a new language comes with unique challenges. At Melale, we are proud to offer specialized Persian language courses for Iranian children living abroad and non-Iranian learners. Additionally, we provide valuable learning resources, such as our **Picture dictionary** and the **Pech-Pech** educational series, to help overcome the challenges of learning Persian

Online Persian Language Courses for Children

These courses are designed for children who want to learn Persian through a structured and standardized approach

- Classes from beginner to advanced levels
- Aligned with international educational standards
- Flexible scheduling based on your preferred time
- Modern teaching methods with experienced instructors
- Tailored to students' needs and abilities
- Focus on all four language skills (speaking, reading, writing, listening) or just speaking and listening
- Access to a dedicated learning platform
- Free support, placement tests, and consultation

Persian Language Education for Children
